Our Product/Services

Learning Management Solution

With our LMS, educational institutes can improve student engagement, enhance learning outcomes, and optimize their operations. Join the future of education with 99Mentor.

Mock Test/Assessment

Online mock tests offer flexible, accessible exam practice. They enhance preparation, simulate real test conditions, provide instant feedback, and empower learners to identify and address their weaknesses effectively.

Doubt Solver

Doubt solver apps offer instant clarification, fostering understanding and confidence. They provide personalized learning, prompt assistance, and empower users to overcome challenges in real-time, enhancing educational experiences.

CTO as a service

The alternative to hiring such a costly specialist in-house is opting for a CTO as a Service. This could be an advantageous move that can bring with multiple benefits, from project planning, execution, and maintenance to team formation, innovation adoption, code quality audits, scaling, and so much more.
